PROFESSIONAL EXPERIENCE

AMORA

Content Creator / Creative Content Strategist | September 2025 – Present

- Develop original content ideas, creative angles, hooks, and storylines around relationship, dating, and lifestyle topics based on audience interests, behaviours, and current trends.
- Create social media content across short-form video, written posts, carousels, captions, scripts, CTAs, and promotional content, adapting ideas to different formats and audiences.
- Take short-form video concepts from ideation through scripting, production, editing, publishing, and refinement while maintaining a consistent brand voice.
- Write engaging scripts, captions, hooks, promotional copy, and storytelling content designed to capture attention and encourage audience engagement.
- Develop carousel concepts and visual content by structuring ideas into strong hooks, narratives, educational points, and clear calls to action.
- Review audience response and content performance to identify effective topics, formats, hooks, and messaging and apply those insights to future content.

OXYGEN FILMS

Assistant Video Editor / Production Assistant | September 2023 – August 2024

- Supported the production and post-production of video content for films, corporate productions, events, and other creative projects.
- Edited and refined raw footage by selecting clips, sequencing scenes, improving pacing, and shaping footage into engaging visual stories.
- Assisted with filming, content capture, equipment setup, and production logistics from initial production through post-production.
- Worked with directors, editors, and production teams to translate creative concepts into polished video content aligned with the intended direction.

MARKETING EDGE

Story Writer / Content Writer | September 2022 – August 2023

- Researched and developed original story ideas, features, and industry content covering marketing, advertising, brands, and business developments.
- Identified trends, audience interests, and emerging topics to develop timely content ideas and compelling creative angles.
- Conducted interviews with industry professionals and transformed their insights into engaging stories with strong hooks, structure, and narrative flow.
- Covered industry events and turned interviews, observations, and key developments into engaging reports and post-event content.

LOVEWORLD PLUS (LXP)

Content Creator / TV Host / Scriptwriter | September 2021 – August 2022

- Conceptualised and developed a 20-episode television programme, taking the project from initial idea and content planning through scripting, production, and final delivery.
- Wrote scripts, promotional copy, and voiceover content, adapting storytelling to different audiences and formats.
- Hosted television programmes, using presentation, storytelling, and audience engagement skills to communicate ideas effectively on screen.
- Coordinated talent, recording schedules, and production activities while developing promotional content to support programme visibility and audience engagement.

EDITORIAL LEADERSHIP

BENSON IDAHOSA UNIVERSITY — MASS COMMUNICATION DEPARTMENT

Editor-in-Chief | 2023

- Led editorial planning and content development for departmental news, features, interviews, and student-focused publications.
- Developed story ideas and creative editorial angles based on audience interests and relevant topics.
- Reviewed and edited contributors' work for clarity, tone, accuracy, consistency, and overall content quality.
- Coordinated writers and contributors, assigned content, managed deadlines, and maintained a consistent publishing workflow.

EDUCATION

B.Sc. Mass Communication
